AUTHORIZATION FOR USE OF PHOTOGRAPHS, DIGITAL IMAGES, SLIDES, VIDEO IMAGES OR OTHER ELECTRONIC OR DIGITAL RECORDINGS

The purpose of this document to help inform you that medical/cosmetic photographs, digital images (in any format), slides, video images or other electronic recordings (hereinafter Medical Photos) may be obtained before, during or after your procedure or treatment. The purpose of these Medical Photos is to show outcomes from the plastic surgery and to document your pre and post-operative results. These Medical Photos may include full body and/or parts of your body relating to the procedure or treatment. Care will be taken to ensure the Medical Photos are devoid of any identifying information and every attempt will be made at concealing your identity whenever possible. Please read this information completely. If you have any questions, please discuss with your physician.

I, _____, consent to Medical Photos to be used for the purposes of treatment, quality assurance, or education. I understand that I have the right to refuse Medical Photos. I authorize Edward Health Ventures (EHV), Edward Medical Group and Edward Plastics and Reconstructive Surgery Group to keep, preserve, or dispose of, at their discretion, any Medical Photos obtained in the course of providing my care.

By signing below, I further authorize the use of the Medical Photos for professional medical purposes, including but not limited to, medical education that I will not be entitled to any monetary payment or any other compensation for the use of these Medical Photos.

By initialing below, I also consent to releasing my Medical Photos for the following designated purposes:

_____ Initial — For professional medical purposes, including but not limited to medical education, patient education and professional lectures to scientific, medical or lay (non-medical) groups.

_____ Initial — For publication in professional medical or scientific journals or textbooks.

_____ Initial — For publication in any commercial print, visual or electronic media, including web site, TV and/or social media for demonstrating to the general public about plastic surgery methods and treatments.

I understand my right to refuse authorization for the taking of Medical Photos; and my right to refuse release of such Medical Photos.
